

Job Description

Job Title:	Senior Occupational Health Therapist / Practitioner - Health Assessment Team
Reports to:	Service Manager – Occupational Health Service
Grade Band :	C
Location:	Home Based

Purpose

As the Senior Occupational Health Practitioner, you will be responsible for overseeing the operational aspects of the occupational health service, working alongside the Service Manager to assist with the implementation and continuing development of the service, including recruiting and managing a team of Occupational Health Practitioners. You will manage the clinical leadership of staff including supporting with participant risk and safeguarding issues. You will also provide direct support to a small caseload of participants.

We are looking for an individual who can manage and develop a multi-disciplinary team of partnership managers and administrators within our Occupational Health Service, taking responsibility for our external Self-Assessment tool & database and the growth of service within the Shaw Trust Health and Wellbeing division.

You will be expected to work closely with a team of Senior Occupational Health Therapist / Practitioners to develop and validate manufacturers products and recommendations.

You will provide specialist advice to both the public and professionals about assistive technology, approving products on our database & offering an expert opinion in advice and guidance. Assisting in developing and maintaining of in-depth knowledge of interventions and services, for recommendations of onward support.

The ideal candidate will need to be inclusive and embrace our culture and values, putting those we serve at the heart of everything we do. You will consistently deliver high quality services to support our communities and beneficiaries.

Main Duties and Responsibilities

1. The post holder will provide expert clinical and managerial leadership to maintain and develop high quality and performance, working within our commercial Occupational Health service.
2. Support their colleagues in the service working towards, achieving, and maintaining the standards required to be accredited with a recognised Occupational Health body.
3. Act as a clinical expert, facilitating the development and ongoing maintenance of our DLF product database
4. To lead our sales and administrative team delivering DLF products to our customers
5. Ensuring that safe clinical practice within the service is maintained to the highest standards and organise service demands within the sphere of influence and responsibility.
6. To act as deputy for the Service manager and the other senior occupational health practitioners, as and when required.
7. Be responsible for the development and delivery of operating procedures.
8. Develop and participate in regular supervision for both clinical/ non clinical staff.
9. Support in the development of clinical practice within the team, assisting in the facilitation of necessary development and training.
10. To provide an innovative and progressive attitude to the continual improvement of the service through research and evidence-based practice.
11. To champion Shaw Trust values and ensure this is embedded into the culture of your team.
12. Participate in case conferences with other colleagues from within the health and wellbeing teams where required.
13. Undertake any other practices as deemed appropriate to the role whilst being provided with appropriate training where necessary.

Other

1. To undertake any further training as identified in the Shaw Trust review procedures.
2. Ensure that safe working practices are followed in respect of COSHH and other Risk Assessment control measures.
3. Employees must comply with the provisions of 'The Health and Safety at Work Act 1974' and must take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts of omissions whilst at work. Employees are also required to co-operate with their employer to enable them to perform or comply with any statutory provisions. The Trust's efforts to

promote a safe and healthy working environment can only succeed with the full co-operation of its employees.

4. To understand, comply with and promote Shaw Trust's safeguarding policy and procedures. It is the responsibility of all employees to make the working environment safe and secure for all. Everyone must adhere to the 5 Rs in relation to possible abuse: Recognition, Response, Reporting, Recording and Referral. The Trust can only ensure its dedication to the protection of vulnerable people with the full cooperation of its employees.
5. The Trust has a Diversity and Inclusion Policy and it is the responsibility of all staff to comply with this. The key responsibilities for staff under this Policy are set out in the Trust Code of Conduct.
6. To maintain the confidentiality about clients, staff and other Trust business. The work is of a confidential nature and information gained must not be communicated to other persons except in the recognised course of duty. The post holder must meet the requirements of the Data Protection Act at all times.
7. To maintain awareness of risk and to take personal responsibility for ensuring that the Trust is not unnecessarily exposed to risk. To report any issues or concerns relating to risk and the effectiveness of the Trust's risk management arrangements.
8. Be aware of, promote and implement Shaw Trust's Risk, Quality and Information Security Management Systems.
9. To report to line manager, or other appropriate person, in the event of awareness of bad practice.
10. Recycle and manage energy within your environment in line with Shaw Trust's Strategic aim to adopt green approaches and become carbon neutral.

This job description is intended to provide a broad outline of the main duties and responsibilities only. The post holder will need to be flexible in developing the role in conjunction with the line manager. The post holder may be asked to carry out any other delegated duty or task that is in line with their post.
