Job Title: **IPS Employment Specialist**

Reports to: **IPS Team Leader**

Grade Band: **E**

Location: **Hull**

We welcome applications from Hull Residents and those with lived experience.

Purpose

Working with clients, health professionals, service providers and employers, as an IPS Employment Specialist you will be focused on making sure a person's journey into employment, with associated improved social inclusion and wellbeing is as easy as possible. You will work with clients (managing a caseload) who have mental health support needs, to assist them in securing sustainable paid employment in line with their preferences. Your role will be to deliver the Individual Placement and Support (IPS) approach (for which training will be given), providing person centred advice and guidance to clients, whilst building positive relationships with local employers to enable clients to move into suitable employment.

This is a target driven role. These targets are derived from contract obligations of: Starts On Programme, Job Entries, Job Retention, compliance to Fidelity delivery model (IPS).

As an IPS Employment Specialist, you will need to be an able communicator, passionate about getting it right and focused on transforming individual lives through sustainable solutions. This role is a peripatetic and will work the majority of time in the community meeting participants, stakeholders and employers. There is no/minimal home working as part of this role.

You will work with people on their individual employment journey from vocational profiling to the point where they no longer require face to face in work support. The six key stages on a typical journey are: outreach/referral; vocational profiling; action planning; job search activities (including working on a one to one basis with employers to match people with appropriate employment); job placement and coordinating support whilst in employment; managing withdrawal of support as the in work support is no longer required.

Main Duties and Responsibilities

1. Manage an active caseload of around 25 clients who are in or motivated to start/return to work.
2. Meet and exceed performance targets for referrals, programme starts, employer engagement, job starts and sustainment's in line with contractual guidelines.
3. Deliver the Individual Placement and Support (IPS) approach for which training will be given.
4. Meet and support clients to understand their key skills, aspirations and goals through completing a Vocational Profile and produce an Action Plan to help them obtain and sustain competitive employment. This includes support with their job search, CV production, application forms, interview techniques and career development.
5. Assess client's support needs related to work which may include benefits/welfare advice, disclosure of mental health symptoms etc., and provide support & guidance.
6. Attend weekly clinical team meetings as an embedded IPS practitioner.
7. Source job opportunities for clients through tailored job search and regular contact with local employers to explore hidden as well as advertised employment opportunities.
8. Spend the majority of the working week in the community in line with IPS Fidelity (monitored through regular tracking and reporting). This will involve travelling around to various community venues such as coffee shops and public libraries daily and limiting the amount of time working from home. You will also be expected to take part in fidelity reviews both internal and external
9. Adherence to Shaw Trust Lone Working and 'Check in and out' Procedure.
10. To build and maintain employer relationships and maintain employer engagement database, includes completing 6 meaningful face to face employer contacts per week.
11. Spend time getting to know local employers, to negotiate job opportunities that meet everyone's strengths, needs, abilities and preferences.
12. Provide education and support to employers, as agreed with the individual, which may include negotiating adjustments, return to work strategy and on-going contact with the employer to ensure job retention.
13. Build relationships with colleagues in clinical teams to engage and generate referrals and create collaborative working partnerships with clinical staff (promoting employment as a positive intervention in the recovery journey).
14. Once employment has been secured, continue to provide quality service through conducting regular visits, effective monitoring and in-work support to clients and employers to help sustain employment.
15. To adhere to administrative and data capture protocols which record the progress of clients, and to keep accurate and complete records of casework in line with quality standards.
16. If required, update clinical systems within the service level agreement (systems include RIO, Care Notes, IAPTUS and various others)
17. Establish positive and integrated relationships with clinical teams, employers and other service providers.
18. To challenge inequalities experienced by clients and address existing discrimination, whilst ensuring a process of learning for the organisation

19. Work with employers to promote the service, identify job opportunities and ensure appropriate strategies are in place to reduce barriers in the workplace – this can include exploring 'job carving' i.e. carving small slices of work from the duties other staff do not have time to do.
20. To develop effective working relationships with a range of external agencies who can help individuals to achieve their employment goals. This may include local colleges and training providers.

Other

1. To undertake any further training as identified in the Shaw Trust review procedures.
2. Ensure that safe working practices are followed in respect of COSHH and other Risk Assessment control measures.
3. Employees must comply with the provisions of 'The Health and Safety at Work Act 1974' and must take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts of omissions whilst at work. Employees are also required to co-operate with their employer to enable them to perform or comply with any statutory provisions. The Trust's efforts to promote a safe and healthy working environment can only succeed with the full co-operation of its employees.
4. To understand, comply with and promote Shaw Trust's safeguarding policy and procedures. It is the responsibility of all employees to make the working environment safe and secure for all. Everyone must adhere to the 5 Rs in relation to possible abuse: Recognition, Response, Reporting, Recording and Referral. The Trust can only ensure its dedication to the protection of vulnerable people with the full cooperation of its employees.
5. The Trust has a Diversity and Inclusion Policy and it is the responsibility of all staff to comply with this. The key responsibilities for staff under this Policy are set out in the Trust Code of Conduct.
6. To maintain the confidentiality about clients, staff and other Trust business. The work is of a confidential nature and information gained must not be communicated to other persons except in the recognised course of duty. The post holder must meet the requirements of the Data Protection Act at all times.
7. To maintain awareness of risk and to take personal responsibility for ensuring that the Trust is not unnecessarily exposed to risk. To report any issues or concerns relating to risk and the effectiveness of the Trust 's risk management arrangements.
8. Be aware of, promote and implement Shaw Trust's Risk, Quality and Information Security Management Systems.
9. To report to line manager, or other appropriate person, in the event of awareness of bad practice.
10. Recycle and manage energy within your environmentin line with Shaw Trust's Strategic aim to adopt green approaches and become carbon neutral.

This job description is intended to provide a broad outline of the main duties and responsibilities only. The post holder will need to be flexible in developing the role in conjunction with the line manager. The post holder may be asked to carry out any other delegated duty or task that is in line with their post and within their skill set.
