Who are we?

Shaw Trust is a progressive charity on an exciting journey to help five times more people over the next five years. For over 30 years we have supported disabled and disadvantaged people to make positive changes to their lives through training and employment, and our ambitious plans need the right people to help us transform many more lives, in many more ways.

What we do is exciting, fulfilling and diverse and it's about to get even better. As well as employment services, we work with kids in schools, help offenders in prisons, and empower people to take part in activities that many of us would take for granted.

Working with us gives you far more benefits than a standard package; it gives you the chance to help turn someone's life around.

What we need?

We are looking for a keen, passionate and energetic individual to deliver marketing activities, copy and collateral for key areas of Shaw Trust's operations and new business. A key focus of the work will be on promoting the charity to commissioners, and promoting Shaw Trust in line with our overall external communications strategy.

The individual will become a well-informed resource on Shaw Trust as an organisation and on our business strategies, communicating with key stakeholders both internally and externally and providing marketing support for key new business activity.

This person will also be the lead for organising external events so an eye for detail, organisational skills and ability to work to deadlines is vital.
