

Job Title: Financial Planning Analyst

Salary Range: £45,000 to £55,000

Reports to: Senior Financial Planning Analyst

Location: London

Who are we?

Shaw Trust is a charity helping to transform the lives of young people and adults across the UK and internationally. Our specialist services help people gain an education, enter work, develop their career, improve their wellbeing or rebuild their lives. We add value to every service we deliver by investing back into the people and communities we support.

We are one of the largest 25 charities in the UK. We use our combined experience of over 75 years to support people to develop their potential. We have one goal: to help transform the lives of one million young people and adults each year by 2022.

Working with us gives you far more benefits than a standard package; it gives you the chance to help turn someone's life around.

What we need?

We are looking for a dynamic and highly motivated individual to join our finance team. You will work closely with the finance business partners and operational leads to develop, implement and review commercial bids and acquisitions across the organisation. You will implement best practice from a modelling and due diligence perspective and advise senior leadership on value drivers to inform the bidding strategy and financial outlook.

You will be an qualified finance professional with an ability to analyse data, identify trends and engage and influence a range of stakeholders consistently. You will be a strong relationship builder, both within the finance team and across the organisation. You will have a passion for quickly understanding and evaluating the value driver across a diverse range of contracts and sectors.

Are you right for the job?

- Have you operated in a business development / transactions environment before?
- Do you have experience of performing financial and commercial due diligence?
- Have you built financial models to assess or value a new or existing opportunity?
- Do you enjoy working in a diverse organisation with exposure to multiple levels of management and senior stakeholders?
- Do you work well as part of a broader team and build strong relationships to achieve the best outcome?
- Are you experienced with advising senior leaders on financial risks and opportunities?

Main Duties and Responsibilities

1. Deliver financial and commercial due diligence, analytics and modelling in support of the charity, with particular focus on new business development.
2. Implement best practice in modelling and business development processes across the group.
3. Be able to summarise and present complex opportunities and risks for senior management.
4. Build strong relationships across finance, operational and business development teams.
5. Assist as necessary the broader team in annual budgeting and long-term forecasting.
6. Perform additional analysis as required in support of the businesses to inform organisational strategy.
7. Supporting the Senior Financial Planning Analyst and business leaders in developing and implementing their strategy.

Other

1. To undertake any further training as identified in the Shaw Trust review procedures.
2. Ensure that safe working practices are followed in respect of COSHH and other Risk Assessment control measures.
3. Employees must comply with the provisions of 'The Health and Safety at Work Act 1974' and must take reasonable care for the health and safety of themselves and of other persons who may be affected by their

acts of omissions whilst at work. Employees are also required to co-operate with their employer to enable them to perform or comply with any statutory provisions. The Trust's efforts to promote a safe and healthy working environment can only succeed with the full co-operation of its employees.

4. To understand, comply with and promote Shaw Trust's safeguarding policy and procedures. It is the responsibility of all employees to make the working environment safe and secure for all. Everyone must adhere to the 5 Rs in relation to possible abuse: Recognition, Response, Reporting, Recording and Referral. The Trust can only ensure its dedication to the protection of vulnerable people with the full cooperation of its employees.
5. The Trust has an Equality and Diversity Policy and it is the responsibility of all staff to comply with this. The key responsibilities for staff under this Policy are set out in the Trust Code of Conduct.
6. To maintain the confidentiality about clients, staff and other Trust business. The work is of a confidential nature and information gained must not be communicated to other persons except in the recognised course of duty. The post holder must meet the requirements of the Data Protection Act at all times.
7. To maintain awareness of risk and to take personal responsibility for ensuring that the Trust is not unnecessarily exposed to risk. To report any issues or concerns relating to risk and the effectiveness of the Trust's risk management arrangements.
8. Be aware of, promote and implement Shaw Trust's Risk, Quality and Information Security Management Systems.
9. To report to line manager, or other appropriate person, in the event of awareness of bad practice.
10. Recycle and manage energy within your environment.
