

## Job Description

<b>Job:</b>	Community Navigator
<b>Location:</b>	Medway
<b>Reports to:</b>	Programme Manager
<b>Salary Range:</b>	£22,259 – £27,410

### Who are we?

Shaw Trust is a progressive charity on an exciting journey to help five times more people over the next five years. For over 30 years we have supported disabled and disadvantaged people to make positive changes to their lives through training and employment, and our ambitious plans need the right people to help us transform many more lives, in many more ways.

What we do is exciting, fulfilling and diverse and it's about to get even better. As well as employment services, we work with kids in schools, help offenders in prisons, and empower people to take part in activities that many of us would take for granted.

Shaw Trust manages the community mental health and wellbeing services (Live Well Kent) in 2 localities – the service is focussed on supporting people to recover and stay well. It provides person centred support aimed at delivering wellbeing improvements and community connectedness through a holistic approach underpinned by the 5 Ways to Wellbeing. We are now looking to expand this successful service into Medway.

Working with us gives you far more benefits than a standard package; it gives you the chance to help turn someone's life around.

### What we need?

You're the person who can help individuals access the right help at the right time. Our Navigators understand their communities and the wide range of services available within them. They are passionate about getting it right, able communicators and focused on using their experience to connect people with the help they need in their own communities.

Working with clients, health professionals, volunteers and service providers Navigators are focused on making sure a person's journey to better wellbeing is as easy as possible. Brokering existing service and helping to develop new local provision, liaising with primary and secondary health care professionals, checking in on progress and making sure we can evidence the outcomes of the service are all important facets of the job – a job that makes a real difference in the lives of people.

This role is perfect for individuals with experience of working within a community mental health and or wellbeing setting using a caseload management approach. A practical understanding of primary and secondary care with the ability to champion and embrace change would be useful. The successful candidate will have a solution focussed approach, be highly organised and be able to deliver to agreed service specifications and outcomes.

## Are you right for the job?

- Do you have experience within a community mental health and wellbeing setting?
- Do you have the ability to turn around the lives of people through engagement and inclusion?
- Do you have a strong track record of achieving positive outcomes?
- Do you motivate people, work well in a team and stay focused under pressure?
- Do you feel passionate about reducing the impact of stigma on people 's lives and opportunities?

## Main Duties and Responsibilities:

1. Work with individuals in a co-ordinated approach to develop, implement and review a wellbeing action plan including 1-2-1 and group sessions.
2. To assess the needs of individuals identifying outcomes and determining the type of support required to overcome barriers and achieve outcomes.
3. To undertake, review and amend risk assessments in relation to clients, the activities undertaken and the environment.
4. Refer to services within the funded and unfunded delivery network, which will support the individual in their achievement of wellbeing goals including health behaviour; sports and leisure; arts and culture, statutory agencies and to monitor positive engagement.
5. Signpost to existing community assets within the wider network, which will support the individual in their achievement of wellbeing goals including health behaviour; sports and leisure; arts and culture, statutory agencies and to monitor positive engagement.
6. Ensure an on-going focus on prevention of poor wellbeing through Making Every Contact Count (MECC) linking with public health healthy lifestyles services and support.
7. Participate in case conferences if required with partner organisations, support services and/or other team members where appropriate to ensure a client journey is smooth and consistent.
8. Undertake post programme tracking to identify whether an individual has maintained their level of well-being and identify any risk to achieving this.
9. Supervise and guide the volunteers in order to provide clients with additional support to access community provision, thereby creating a 'circle of support'.

10. Be fully responsible for all tasks related to the allocated clients journey including maintaining effective and efficient administrative procedures producing appropriate records, including the updating of client details on MPS.
11. Ensure achievement against service delivery KPIs and individual performance measures and programme outcomes.
12. Provide a quality service that meets 5 Ways to Wellbeing, contractual requirements and related thinking within the mental health sector as well as organisational quality standards.
13. Ensure safe working practices are maintained as set out within Shaw Trust 's policies/procedures as well as operating within service guidelines when clients require crisis support.
14. To encourage client feedback and user involvement as directed through a co-production framework.
15. To build relationships and liaise regularly with GP surgeries aligned to caseloads and to work across the primary care interface with all other stakeholders attending relevant meetings when required.
16. To develop and maintain an in-depth knowledge of the local provision, programme provision of relevant agencies and opportunities pertaining to wellbeing.

*This job description is intended to provide a broad outline of the main duties and responsibilities only. The post holder will need to be flexible in developing the role in conjunction with the line manager. The post holder may be asked to carry out any other delegated duty or task that is in line with their post.*
