Who are we?

Shaw Trust is a progressive charity on an exciting journey to help five times more people over the next five years. For over 30 years we have supported disabled and disadvantaged people to make positive changes to their lives through training and employment, and our ambitious plans need the right people to help us transform many more lives, in many more ways.

What we do is exciting, fulfilling and diverse and it's about to get even better. As well as employment services, we work with kids in schools, help offenders in prisons, and empower people to take part in activities that many of us would take for granted.

Working with us gives you far more benefits than a standard package; it gives you the chance to help turn someone's life around.

What we need?

To work as part of a team providing hands on support and training to disabled adults participating in the Shaw Trust service.

Are you right for the job?

- Do you have experience of helping turn around the lives of people through training and/or employment?
- Do you thrive in an environment that encourages you to find new ways to help people?
- Do you motivate people and work well in a team?
