Purpose

This role provides monitoring and assessment of operational quality assurance compliance, and the delivery of continuous improvement initiatives across a range of Shaw Trust services contract delivery. This includes the achievement of related standards, outcomes and the correct use of processes and systems to ensure full quality compliance meeting and exceeding contractual obligations. This person will specifically support the delivery of contracts and services within Children's & Family Services, Children's Homes, Justice, Health and Wellbeing.

This person acts as a champion of the continuous improvement culture and works to optimise the beneficiary experience and service delivery within Shaw Trust contracts and their supply chains to ensure a high-quality experience at all times, in line with the Shaw Trust Strategic Directive 2030.

Main Duties and Responsibilities

1. Monitor and maintain the Quality Management System and operating procedures across all Children's and Family Services, Children's Homes, Justice, Health and Wellbeing provision.
2. Ensure that the beneficiary journey for all participants on your designated contracts are delivered in line with the organisation's and other quality related standards.
3. Identify and share good practice within your designated contracts and ensure these are also shared more broadly across the organisation.
4. Design, monitor and support continuous improvement activities with line manager and operational managers and their staff in partnership with the wider Operational Support Service. Conduct evidence based quality checks (e.g. observations, file audits, quality monitoring etc) in line with the established quality monitoring calendar.
5. Identify staff training needs and assist with the delivery of training and coaching to develop and improve the effectiveness and quality of contractual delivery.

6. Contribute to the systematic collation, analysis and monitoring of feedback from beneficiaries, employers, and other stakeholders and ensure that results are used to drive continuous improvement within your designated contracts.
7. Evaluate evidence and data from a range of sources to produce concise evaluative reports on the quality of your designated contracts as required.
8. Create, manage and monitor effective continuous improvement plans (including actions for improvement following audits and monitoring) with operational managers and delivery partners, to improve quality compliance and performance.
9. Support operational management and supply chain partners to complete effective self-assessments from which to evaluate and drive appropriate improvement programmes.
10. Support the tracking and monitoring of the quality of e-learning activity to ensure maximum usage and career pathways are fully utilised.
11. Undertake observation of interactions across your designated contract to monitor and report on the support being offered and provided to beneficiaries and from which to drive improvements.
