

Job Title: Traineeship Tutor

Reporting to: Head of Service - Traineeships

Role Overview:

- To actively recruit, assess and engage traineeship learners and support their transition to employment and/or Apprenticeships
- To deliver traineeship course content, including the delivery of functional skills to meet contract KPI's.
- To achieve agreed contractual targets through employability skills support, liaising with local employers, local referral agencies and the traineeship placement and progressions officer.

Principle Accountabilities:

- Proactively recruit, assess and engage with an agreed number of traineeship learners in line with traineeships contracts.
- Liaise with external partners and agencies to receive referrals
- Organise and run assessment sessions for young people prior to enrolling on to a Traineeship programme
- Organise and deliver employability skills, vocational skills and functional skills for young people through a blended learning approach including the use of digital-based delivery models in group sessions or on a 1-1 basis for young people.
- Contribute to the ongoing development and improvement of traineeship resources and processes
- Ensure monthly KPIs are met relating to the traineeship contract
- Build a caseload of traineeship learners, by successfully engaging with young people through a range of different methods
- Carry out initial assessments and action plans for each young person and monitor their progress through regular contact
- Build referral links and develop relationships with key external organisations who will refer into Traineeship programmes.
- Identify relevant progression opportunities for young people, with a particular focus on apprenticeship positions alongside the placement and progressions officer
- Work alongside the employer & business engagement managers in engaging employers to take on traineeships

- Take part in all promotional work that supports the work of all youth contracts
- Provide a high-quality service to both internal and external stakeholders to ensure positive feedback through the company self assessment process and quality improvement strategy
- Deliver information, advice and guidance to all young people, to help them make informed choices about their future and jointly create a detailed action plan with clear milestones
- Promote all youth contracts, providing information to young people and establishing a working relationship with organisations such as the Job Centres, local employer groups and voluntary organisations, in order to produce work placement and job opportunities
- Act on behalf of both IXION and the contract partner, whom IXION is working for and enhance all parties' reputations
- Develop and maintain a good understanding of youth provision available, agencies related to employment access and the local labour market
- Work closely with all partner organisations and other support agencies to ensure that referrals as a priority are given to Ixion, rather than our competitors
- Maintain effective and accurate administration, recording of information, producing reports as required, updating MI Systems and adhering to the Data Protection Act and confidentiality procedures at all times
- Ensure all quality and compliance systems, processes and guidelines are followed as part of the day to day activity ensuring compliance errors are kept to a minimum to ensure the business is risk free
