Reports to: Regional Supply Chain Manager (RSCM)

Salary Range: £30,000 – £35,000 **(All other areas)**
£31,500 – £36,500 **(South East)**

Location: Home Based covering Central England or Home Counties

Purpose:

The Network Development Manager is a new role to Shaw Trust that will help to shape our service provision across a specific geographical area and will involve working with a diverse range supply chain partners.

Providing vision and direction, in conjunction with the RSCM the post holder will support the development of relevant interventions to meet the employability and support needs of participants on the Work and Health Programme – Job Entry: Target Support (WHP-JETS) contract commissioned by the Department for Work and Pensions .

The post holder will focus on ensuring the success of our community-based approach and building robust collaborative working arrangements with our supply chain network across a specific geographical area within one of the Contract Package Areas .

Main Duties and Responsibilities

1. Embrace and enact the Shaw Trust vision and direction for the growth and success of the contract and delivery network by creating a sense of purpose which aligns with the service principles and objectives
2. Provide skilful and proactive relationship management, ensuring positive and productive relationships are established and maintained between our internal delivery and our supply chain partners.
3. Support our supply chain partners to increase and modify services in order to achieve service delivery which meets commissioner and participants needs.
4. Hold the first level performance management reviews to determine accurately contractual performance, liaising with the RSCM to set and review relevant KPI's and targets, agreeing on remedial actions in a timely manner where required.
5. Provide support to the RSCM to ensure that financial targets are met, and corrective actions can be quickly taken on any variances.
6. Working closely with the RSCM the post holder will support to capture and analyse delivery partners' performance through robust MI, in order to recognise potential performance risk, assess the performance of participants using the service and identify opportunities for innovation in service design.
7. Act as the focal point for internal and network delivery staff queries relating to the Shaw Trust approach to delivering employability and support services.

8. Manage day to day operational practices across the partner network and supply chain to encourage information sharing and good practice.
9. Use agreed tools and techniques with the supply chain delivery partners to ensure each delivers as per their contractual obligations, thereby meeting quality assurance standards and compliance.
10. Work with supply chain delivery partners to ensure facilitation of best practice, continuous improvement in contract delivery and integration of the client journey in order to meet the required contractual outputs.
11. Ensure participant involvement and co-production is established and embedded across the delivery network.
12. Work with delivery partners to create alliances with other agencies who provide tangible outcomes for participants.
13. Develop a local partnership portfolio with charities and voluntary organisations supporting our participant group. Building on the existing community asset mapping and ensuring its continual improvement via input from the delivery network, delivery staff and participants.
14. Promote and sell the Shaw Trust in the community service to relevant parties, leading to further business opportunities.

Other Responsibilities

1. To undertake any further training as identified in the Shaw Trust review procedures.
2. Ensure that safe working practices are followed in respect of COSHH and other Risk Assessment control measures.
3. Employees must comply with the provisions of 'The Health and Safety at Work Act 1974' and must take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts or omissions whilst at work. Employees are also required to co-operate with their employer to enable them to perform or comply with any statutory provisions. The Trust's efforts to promote a safe and healthy working environment can only succeed with the full co-operation of its employees.
4. To understand, comply with and promote Shaw Trust's safeguarding policy and procedures. It is the responsibility of all employees to make the working environment safe and secure for all. Everyone must adhere to the 5 Rs in relation to possible abuse: Recognition, Response, Reporting, Recording and Referral. The Trust can only ensure its dedication to the protection of vulnerable people with the full cooperation of its employees.
5. The Trust has an Equality and Diversity Policy, and it is the responsibility of all staff to comply with this. The key responsibilities for staff under this Policy are set out in the Trust Code of Conduct.

6. To maintain the confidentiality about clients, staff, and other Trust business. The work is of a confidential nature and information gained must not be communicated to other persons except in the recognised course of duty. The post holder must meet the requirements of the Data Protection Act at all times.
7. To maintain awareness of risk and to take personal responsibility for ensuring that the Trust is not unnecessarily exposed to risk. To report any issues or concerns relating to risk and the effectiveness of the Trust's risk management arrangements.
8. Be aware of, promote and implement Shaw Trust's Risk, Quality, and Information Security Management Systems.
9. To report to line manager, or other appropriate person, in the event of awareness of bad practice.
10. Recycle and manage energy within your environment.

This Job Description is intended to provide a broad outline of the main duties and responsibilities only. The post holder will need to be flexible in developing the role in conjunction with the line manager. The post holder may be asked to carry out any other delegated duty or task that is in line with their post.
